

ST. STEPHEN SCHOOL
Volunteer Opportunities Form

St. Stephen School offers many rich, rewarding and fun activities for students and families to share in—activities that depend on the generosity and creativity of hundreds of volunteers.

This is where our parents and guardians come though for our students in a huge way. We strongly encourage every St. Stephen School parent and guardian to volunteer some time, during the academic year, in support of our school and students. We recognize that everyone has unique abilities and interests and different amounts of time and talents to give. We ask that you prayerfully consider what gifts you can share with us.

A list of various St. Stephen School volunteer opportunities is on the back of this form. Please indicate how you'd be interested in sharing your time and talents by completing this form and returning it to the school office along with your registration packet. Prior to the start of the school year, completed forms will be reviewed and committee, activity chairs, and coordinators will be drawn from the pool of volunteers. These chairpersons and coordinators will then be given lists of potential volunteers for their committees and programs.

The more people become involved in our school programs and activities, the more St. Stephen will become an even richer, more vibrant community. Thank you again for offering us your time and talents.

St. Stephen School Volunteer Form
