Dear Friends and Family,

Saint Stephen School is again enlisting participation in the *Education First* fundraising program. Through this community endeavor our school is able to focus on its mission:

*To partner with parents in the whole person formation of their child  
who is made in the image of God and destined for communion with Him.*

Our mission is supported by *Education First* funds which pay for all enrichment programs including our *Way of Beauty* workshops, field trips, and other needs of the school not covered by tuition.

We are asking you to support this mission, by investing in our school with your prayers, positive words and tax-deductible financial donations. We are not selling anything. All of the money donated will support extra learning programs at Saint Stephen School, such as materials, enrichment programs and field trips.

Students will give back to the community by focusing on their learning, reaching out to others, and spreading the word of God. As a school community we pledge to offer a novena of our school Masses for you and your intentions.

Donations to *Education First* are a direct investment in Saint Stephen students. We hope we can count on your support. If so, please complete the form below and return it as soon as possible.

Thank you for believing in our school and showing your support.

Gratefully,

Students of St. Stephen School
